

PENDER

thepender.com

May 2024 / founder@thepender.com

WHAT IS THE PENDER?

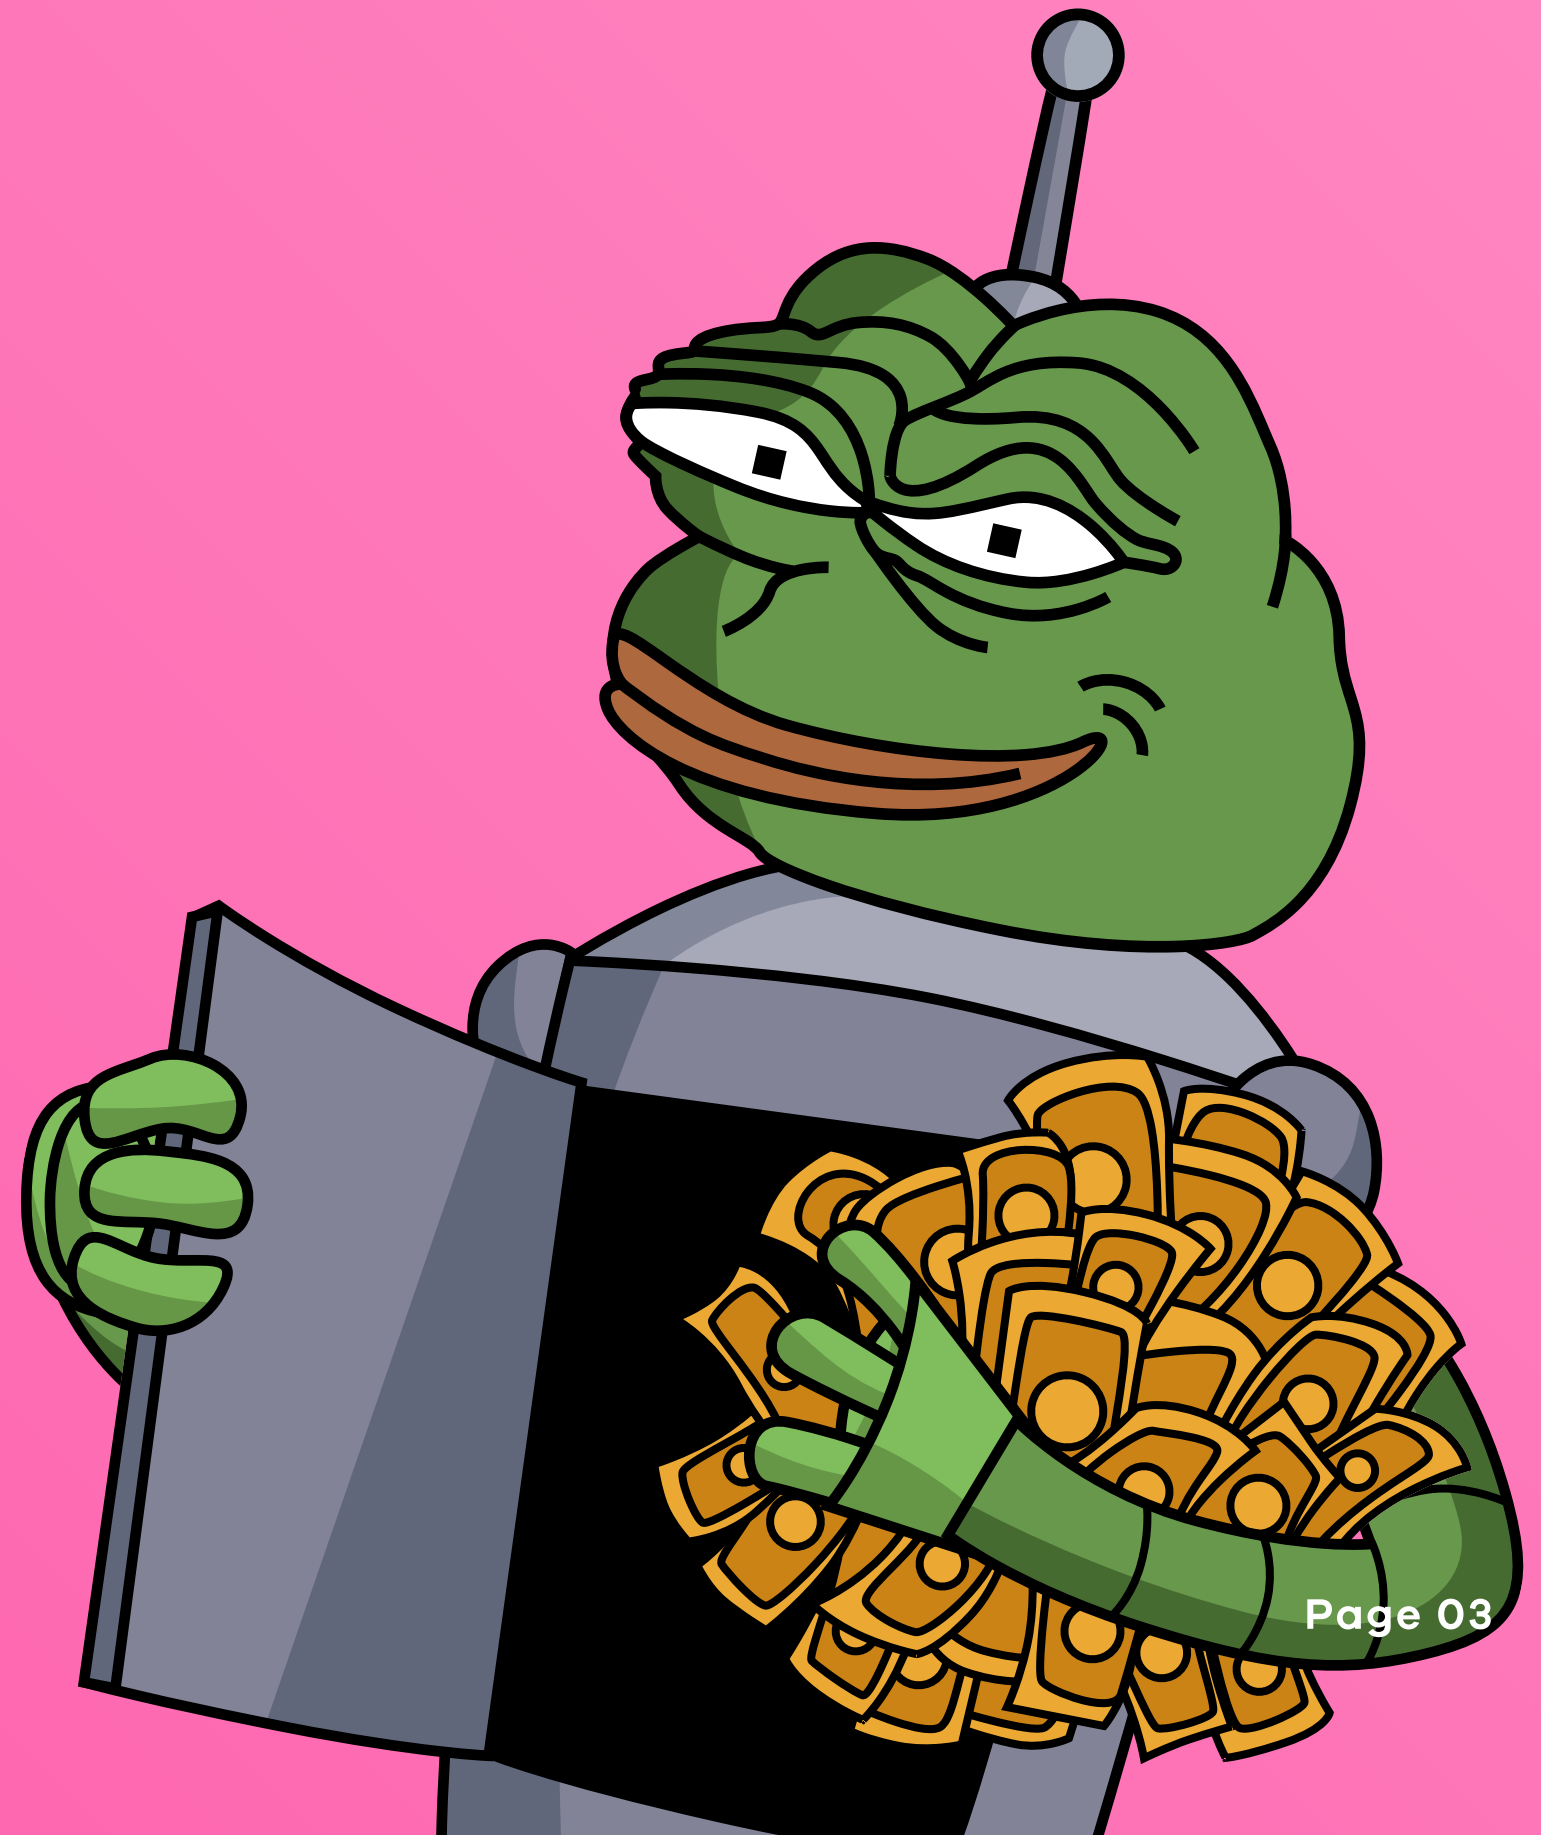

PENDER is the first lottery on TON.
Memecoin with utility that allows it's
holders to participate in unique events.

WHAT KIND OF LOTTERIES?

- RWA lotteries
- TON lotteries
- Our token lotteries
- The platform is oriented towards GAMBLEFI

PRESALE

- ◎ Presale targets (TON):
 - 10.000 coins - soft cap. No time limit.
 - 50.000 coins - hard cap. 7 days after reaching soft cap milestone.
- ◎ Presale allocation (PENDR): 200.000.000 coins (20% of total supply)
- ◎ 1-st presale lottery winner: 1000 TON coins (10%).
- ◎ 2-nd presale lottery winner: X TON coins. It depends on the amount of TON collected after reaching the soft-cap milestone.
- ◎ A portion of the collected TONs will be allocated for the further development of the project. (10%)
- ◎ Min. buy per account: 10 TON
- ◎ Max. buy per account: 100 TON
- ◎ Users can use more than one wallet to participate in the presale.

developer. Head of blockchain team
at cross-chain swap startup.

Aleksei Matveev

Co-founder, CDO

7+ years of experience in product design
at AI/AR/Fintech startups. UK Global
Talent. Ex-ZERO10, Prisma Labs.

COMPETITOR ANALYSIS

Pender is the first memecoin that provides users with utility – holders participate in lotteries with valuable prizes starting from pre-sale.

Pre-sale lottery winner gets his prize in TON that means no risk of price dump.
